2017-2018 Family Donation Plan Form

What is the Family Donation Plan?

In lieu of various fundraisers throughout the year, the SJS PTO requests that each family donate \$65 for the entire school year! The donations can be made at any time from October until December through FACTS. Our goal is **100% participation** by all current SJS families (340 families x \$65 = Budgeted Fundraising Goal of \$22,000).

What is this money used for?

Donations from the Family Donation Plan support the following efforts and enhancements of our school:

- School Traditional Events (Ex: First Holy Communion, All Saints Day, Confirmation, First Penance, International Day, Colonial Day, Kindergarten Graduation, 8th Grade graduation, 8th Grade Love Mass, etc.)
- Technology Enhancements
- SJS Wellness Program
- Library Enhancements
- Teacher Start Up funds
- Hospitality Events (Ex. Open House, Veteran's Day reception, etc.)
- School Directory
- Family Support Program
- Faculty Christmas Party & Service Awards

Note: No other PTO sponsored fundraisers will occur with the exception of Spring Fling (the annual dinner and auction) and the Book Fair. The funds raised from the 5K event directly benefit the endowment fund which is designated to provide tuition assistance, educational programs and funding for school operations.
